### Maintenance

---

Never use products containing hydrochloric acid, formic acid, acetic acid or bleach containing chlorine. Never use abrasive products or tools (scouring liquid, scouring sponge, dish sponge, stainless steel ball, etc.). Use of any prohibited cleaning or maintenance products or substances could damage the surface of the paper towel dispenser. Only use soap and water when cleaning the surface of the paper towel dispenser and then wipe dry with a clean cloth or towel. When cleaning other areas of the washroom, the dispenser should be protected from any splattering of the products that are used.
