Installation info

Installation

Wall-mounted shower seats must be secured to a suitable wall substrate to allow for proper use. Duten recommends that installers contact a fixing specialist to ensure the correct fixings are used for the material.

Maintenance

For optimum care of the shower seats, use a soft cotton cloth and dampen it if necessary with water and/or a cleaning product suitable for use on polypropylene. Never use products containing hydrochloric acid, formic acid, acetic acid or bleaching products containing chlorine. Never use abrasive products or tools (scouring liquid, scouring sponge, abrasive dishwashing sponge, stainless steel ball, etc.).
