No optional accessories.

Installation info

Water inlet

Before connecting the faucet to the water circuit, run water to flush the pipes and clean them of any possible dirt.

Maintenance

For optimum care of the duten faucets, use a soft cotton cloth and dampen it if necessary. Never use products containing hydrochloric acid, formic acid, acetic acid or bleaching products containing chlorine. Never use abrasive products or tools (scouring liquid, scouring sponge, abrasive dishwashing sponge, stainless steel ball, etc.).
